

Dear Resident,

The ongoing coronavirus outbreak is the biggest public health emergency in a generation.

Whilst Parliament is in recess I will be based in South Northamptonshire, focused on providing the latest Government advice and helping constituents through this challenging time.

There is already fantastic support being provided across our area by those volunteering to help their neighbours. My aim will be to help and support their efforts and I will have a team of up to 10 people available each day to help those self isolating with grocery shopping, collecting medication and running essential errands for those that need it. All in the team are known to me and I can vouch for each one of them.

If you or a neighbour are self-isolating and don't know where to get help then please email me - andrea.leadsom.mp@parliament.uk or call my constituency office in Towcester on **01327 353124**. My team will put you in contact with local volunteers or we will help you ourselves direct.

My website will be updated every day with the latest Government news and advice on Coronavirus, with links for:

- Individuals and families
- Schools and education
- Homeowners and renters
- Travel advice
- Support for businesses

- Employee advice for those self isolating
- Ventilator production
- Face to face assessments for health and disability benefits

You can view these updates [here](#).

I will regularly be updating my social media channels with further updates and information from my work in South Northamptonshire.

Please follow me on [Twitter](#), [Facebook](#) and [Instagram](#).

I am also able to direct offers from those who can volunteer to their local voluntary groups, and can support volunteering businesses on my social media channels. Please [email me](#) direct with further information.

You have received this email via Mailchimp because you have contacted me as your MP in the past. Normally all contact is subject to GDPR data protection. But the Health Secretary has confirmed that GDPR does not inhibit the use of data for Coronavirus response; GDPR has a clause excepting work in the overwhelming public interest.

However if you do not wish to receive updates on Coronavirus, please unsubscribe using the button below.

By working together we can all help and support our communities through this challenge.

Best wishes,

Andrea Leadsom

The Rt. Hon Andrea Leadsom

Member of Parliament for South Northamptonshire
