

Northamptonshire Highways

Highway works on Langford Drive, Wootton

Please look out for advance warning signs, diversion route and vehicle toway details

- **Start date:** Thursday 12 May 2022
- **Completion:** Tuesday 17 May 2022
- **Scheme type:** Resurfacing
- **Traffic management:** Full road closure
- **Hours of work:** 08:00–16:00 (Weekdays)

What we are doing / the benefits

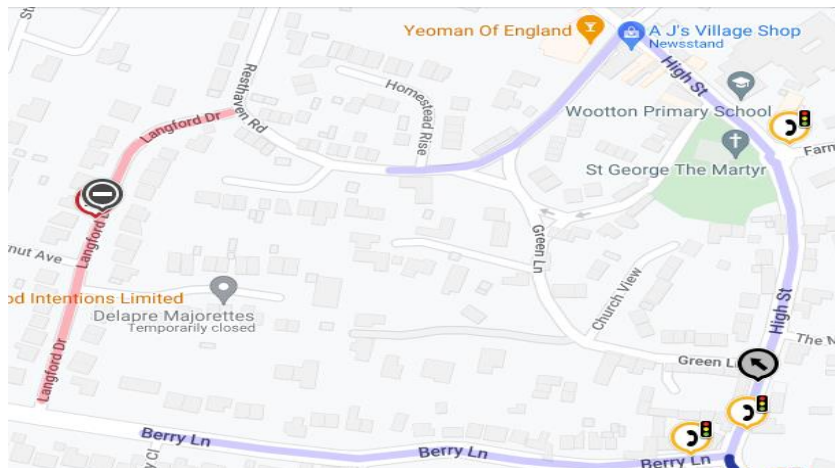

Northamptonshire Highways are scheduled to carry out resurfacing works on Langford Drive under a full road closure. These works will improve the structural stability of the road and improve safety for road users. Works include replacement of ironwork, where required. Road markings will be reinstated and gullies cleansed to ensure best use is made of the closure and to minimise disruption for residents in the future.

Vehicle Parking

During the operation, and to eliminate the need to knock on doors, we are asking that no vehicles be parked on the road blocking the access route for cars and pedestrians. Please do not park on Langford Drive, Wootton and a minimum of 20 metres of any junction with Langford Drive throughout the duration of the works. Thank you for your understanding, patience and co-operation.

Traffic Management

When programming works, we consider the impact on all network users and plan our works to minimise disruption as much as possible. The road will be closed to ensure the safety of the public and our workforce within the highlighted areas in red. During working hours, vehicle access will be restricted for residents of Langford Drive, Wootton. We aim to maintain access for emergency vehicles. Pedestrian access will not be affected. During the road closure a diversion route, as shown in blue, will be in place at all times. The red line shows the works extents and the blue line is the diversion.

Access and egress: We kindly ask that you keep all non-essential travel during working hours to a minimum. However, we fully understand that residents will need access and will work with you to ensure we keep any disruption to a minimum. Designated signs will be displayed on site with a contact number for residents to use. Please call this number (or speak to any member of the site team) when requiring access/egress to your property while works are taking place.

Highway works on Langford Drive, Wootton

Please look out for advance warning signs, diversion route and vehicle towaway details

This control measure is in place for the safety of residents and the workforce. Please drive with care and follow all directions / guidance given. If works are progressing near your property you may not be able to directly access your property immediately. Please allow longer for your journey.

Pedestrians: During the works, pedestrian marshals will be on site to assist.

Cyclists: Please dismount and walk through the works area.

Emergency services: we will maintain access, when required, to allow emergency vehicles through the traffic management.

RE - Tow away – moving vehicles parked in our workspace.

We have been working with West Northamptonshire Council and have agreed that parked vehicles, whose presence is preventing or hindering the works taking place, may be removed. This will be carried out by an approved contractor and vehicles will be moved within the vicinity. We understand that it may not be possible to move your vehicle at this time, if this is the case, please contact the Site Manager (details below) to discuss how we can help. Your assistance and cooperation will be very much appreciated. If your vehicle is towed away, please call 01908 610568 and select Option 1 for details on where it has been relocated to.

Contacting us

To ensure any enquiries are dealt with correctly and to report defects please use our online Street Doctor service. This process ensures issues are recorded and dealt with appropriately. Once reported you will be issued with a unique reference number and be able to follow the progress of your enquiry.
